1. L.29 Proposal Preparation Instructions - Volume II, Technical
Proposal (MAY 2002)

(a) General (Revised per Amendment One, 8/21/06)

There is a 100 page limitation for Volume II, excluding any table of contents, glossary, title page, and résumé of key person and relevant experience and past performance information.

The following size restrictions shall apply to Volume II:

- Except for foldouts, pages shall not exceed 8.5 x 11 inches. Each page shall have top, bottom, left, and right margins of at least one inch. The font to be used is Arial, Courier, or Times Roman. The font shall not be less than font size 11, except as otherwise specified herein. Single spacing may be used except for between paragraphs, in which case double spacing is to be used. Page numbers, any restriction on Offeror disclosure, the RFP number, and Offeror's name are the only text that may be displayed in the margins. Offerors may choose any font and font size they like for text that may be displayed in the margins. When both sides of a sheet contain printed material, each side shall count as a separate page. Offerors may not incorporate material by reference to circumvent the page limits. Pages containing tables of contents, lists of figures, divider tabs, and similar inserts shall not be counted toward the prescribed page limits UNLESS they include other text.
- Font size and type are unrestricted for graphs, tables, spreadsheets, and foldouts where necessary or permitted. Colors may be used for headings, graphs, tables, and to highlight text Offerors want to emphasize. Offerors are cautioned to avoid colors that may make the text hard to read.

- Foldouts are only permitted for large tables, charts, graphs, diagrams, and other schematics, not for pages of text. Foldouts shall not exceed 11 x 17 inches and shall fold entirely within the volume. Each page of the foldout shall have top, bottom, left, and right margins of at least one inch. Page numbers, any restriction on disclosure of the offer, the RFP number, and Offeror's name are the only text that may be displayed in the margins. Each page of a foldout shall count as two pages. Where both sides of a foldout contain printed material, the foldout shall count as four pages.
